

## Covid 19 Procedures

### Getting On the Pitch

- All players must stay in their cars until it is time for them to enter the pitch area.
- The two teams on the bottom pitch (**Pitch Three**) will be the first to enter the 3G facility separately and the last to leave separately at the end of the game.
- The two teams on the middle pitch (**Pitch Two**) will be the second to enter the 3G facility separately and the second to leave separately at the end of the game.
- The two teams on the top pitch (**Pitch One**) will be last to enter the 3G facility separately and the first to leave separately at the end of the game.
- Teams enter and exit the pitch one at a time and when we call out your team name please make your way to the 3G facility immediately and go to your designated pitch. **Pitch Three** teams will be the first to be alerted so they should be prepped and ready. Each pitch will have a designated colour. **Pitch One Green, Pitch Two Blue** and **Pitch Three Red** which will correspond with the fixture list. We will hold up the colour of the pitch due next on so please be aware and alert.
- There will be a 5-minute gap between games to allow the first group of players the opportunity to leave the pitch area one team/pitch at a time, and the next game's teams to enter the pitch area one team at a time, therefore lessening the chance of congestion.

## Covid 19 Procedures

### Getting Off The Pitch

- Once your game has finished your referee will notify you when it is your time to leave the pitch in an orderly fashion without congregating.
- Once players leave the playing area they must go immediately to their cars and leave the venue.
- There will be sanitizer available to use at the end of the game. If you are unsure, ask the referee.

### The Games

- Game duration will be 30 minutes with no half time and change round.
- There will be **no bibs provided** so each team must bring their own matching colour tops and spares in case of a colour clash.
- The ball will be regularly sanitised when breaks in play occur so please be patient.
